**SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT
UNDER 37 C.F.R. § 1.56 AND § 1.97**

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

In accordance with the continuing duty of disclosure imposed by 37 C.F.R. § 1.56 and § 1.97 to inform the Patent Office of all references coming to the attention of each individual associated with the filing or prosecution of the subject application, which are or may be material to the patentability of any claim of the application, Attorneys for Applicants hereby invite the Examiner's attention to the references AD to AF listed on the attached revised form PTO 1449 entitled "List of References Cited by Applicant." References AD-AF were listed on an International Search Report for a corresponding PCT application; a copy of the Search Report is submitted herewith. Copies of references AD to AF are also submitted herewith.

Identification of the listed references is not meant to be construed as an admission of Applicants or Attorneys for Applicants that such references are available as "prior art" against the subject application. Consequently, Applicants respectfully decline to use form PTO-1449, since this form identifies all of the references cited therein as "Prior Art." As an alternative, Applicants submit herewith a "revised form PTO 1449" entitled "List of References Cited by Applicant" instead of "List of Prior Art Cited".

Applicants respectfully request that the Examiner review the foregoing references and that the references be made of record in the file history of the application.

Pursuant to 37 C.F.R. § 1.97(b)(3), since this Supplemental Information Disclosure Statement is being submitted before the first Office Action on merits, no fee is believed to be due. However, should the Patent Office determine otherwise, please charge the required fee required to Pennie & Edmonds LLP Deposit Account No. 16-1150.

Respectfully submitted,

Date: August 17, 2001
